A DESIGN SYSTEM FOR HOME OBJECTS

ADUNÉ

HOME

Objects of *belonging.*

VISUAL STRATEGY / ART DIRECTION / DIGITAL EXPERIENCE

BRAND PROPOSITION

A home is a feeling. *Let the objects speak.*

ADUNÉ makes everyday spaces feel more personal through thoughtful form, tactile character and a softer, more intentional approach to home.

The lived-in *gallery.*

An editorial design language that balances a considered gallery aesthetic with warmth, accessibility and real-life use.

CORE IDEA / FORM × FEELING

WHAT THE EXISTING BRAND SAYS

Craft first. Home always.

The current ADUNÉ About page emphasizes craftsmanship, elegance, sustainability and the connection between traditional methods and modern aesthetics.

PRODUCTS

Chairs, tabletop accessories, vases, everyday storage and lap desks.

HOME BASE

The public site lists Abuja, Nigeria.

OPPORTUNITY

Unify the site around one emotional idea and a consistent visual system.

QUALITY CHECK

Review site-wide currencies and incorrect timeline wording before launch.

FITOSAUNA.COM — OBSERVED DESIGN PRINCIPLES

Presence over noise.

01 SPATIAL IMPACT	Immersive product-led hero and an emotional headline.
02 RHYTHM	One idea per section; generous pause between ideas.
03 RESTRAINT	Limited palette, subtle motion and carefully placed actions.
04 TRANSLATION	For ADUNÉ: interior warmth, tactile details, room-led shopping, and a distinctive letterform symbol.

NOT COPIED: LAYOUT, GRAPHICS, PHOTOS OR INTERACTIONS

AUDIENCES TO VALIDATE WITH REAL CUSTOMERS

For the life between the walls.

01

PERSONAL CURATOR

27–42 / design-aware home makers

Wants spaces with warmth and signature character. Needs usable photos, dimensions, clear checkout and delivery.

02

CONSIDERED GIFTER

25–45 / housewarming & celebrations

Wants meaningful objects, an easy gift note, and ready-to-give packaging.

03

SPACE MAKER

28–50 / stylists & hospitality

Wants beautiful accents, available inventory, trade assistance and reliable product specs.

PERSONAS ARE DESIGN HYPOTHESES, NOT SURVEY MEASUREMENTS.

QUALITATIVE BENCHMARKS

Different ways to tell a craft story.

ILÉ ILÀ	Contemporary Nigerian statement furniture informed by Yoruba textiles.	Make heritage specific; focus ADUNÉ on intimate everyday objects.
ILE ONA ATELIER	Curated African art and sculptural interior objects.	Bring gallery-level curation into approachable shopping.
NKUKU	Handcrafted home accessories with artisan/material stories.	Show verified materials and maker details, not vague claims.
WEST ELM	Broad modern-home retail and merchandising clarity.	Treat price, sizing and navigation as part of premium design.

SOURCES & LIMITATIONS PROVIDED IN THE RESEARCH FILE.

FOR DESIGN-AWARE PEOPLE BUILDING PERSONAL SPACES

Quietly expressive. *Comfortably collected.*

ADUNÉ stands between mass-produced trend décor and untouchable collectible art: tactile, considered objects that can actually be lived with.

PROMISE

A home that feels more like yours.

DIFFERENCE

Artful character without preciousness.

PROOF

Real product details, verified material stories and honest service.

THE VOICE

Warm. Tactile. Assured.

WARM	CURIOUS	CULTURED
QUIETLY EXPRESSIVE	HUMAN	THOUGHTFUL

A home is never made in a day. It forms through rituals, conversations and the objects we reach for without thinking. ADUNÉ celebrates those small acts of living.

THIS IS NEW CAMPAIGN COPY — NOT A CLAIM ABOUT VERIFIED FOUNDER HISTORY.

NAMING

Keep the name. Change the feeling.

The established name ADUNÉ HOME is retained. The wordmark becomes a quieter editorial “aduné”; “HOME OBJECTS” works as a descriptive secondary lockup.

DIRECTION NOTES

Make it *feel lived-in.*

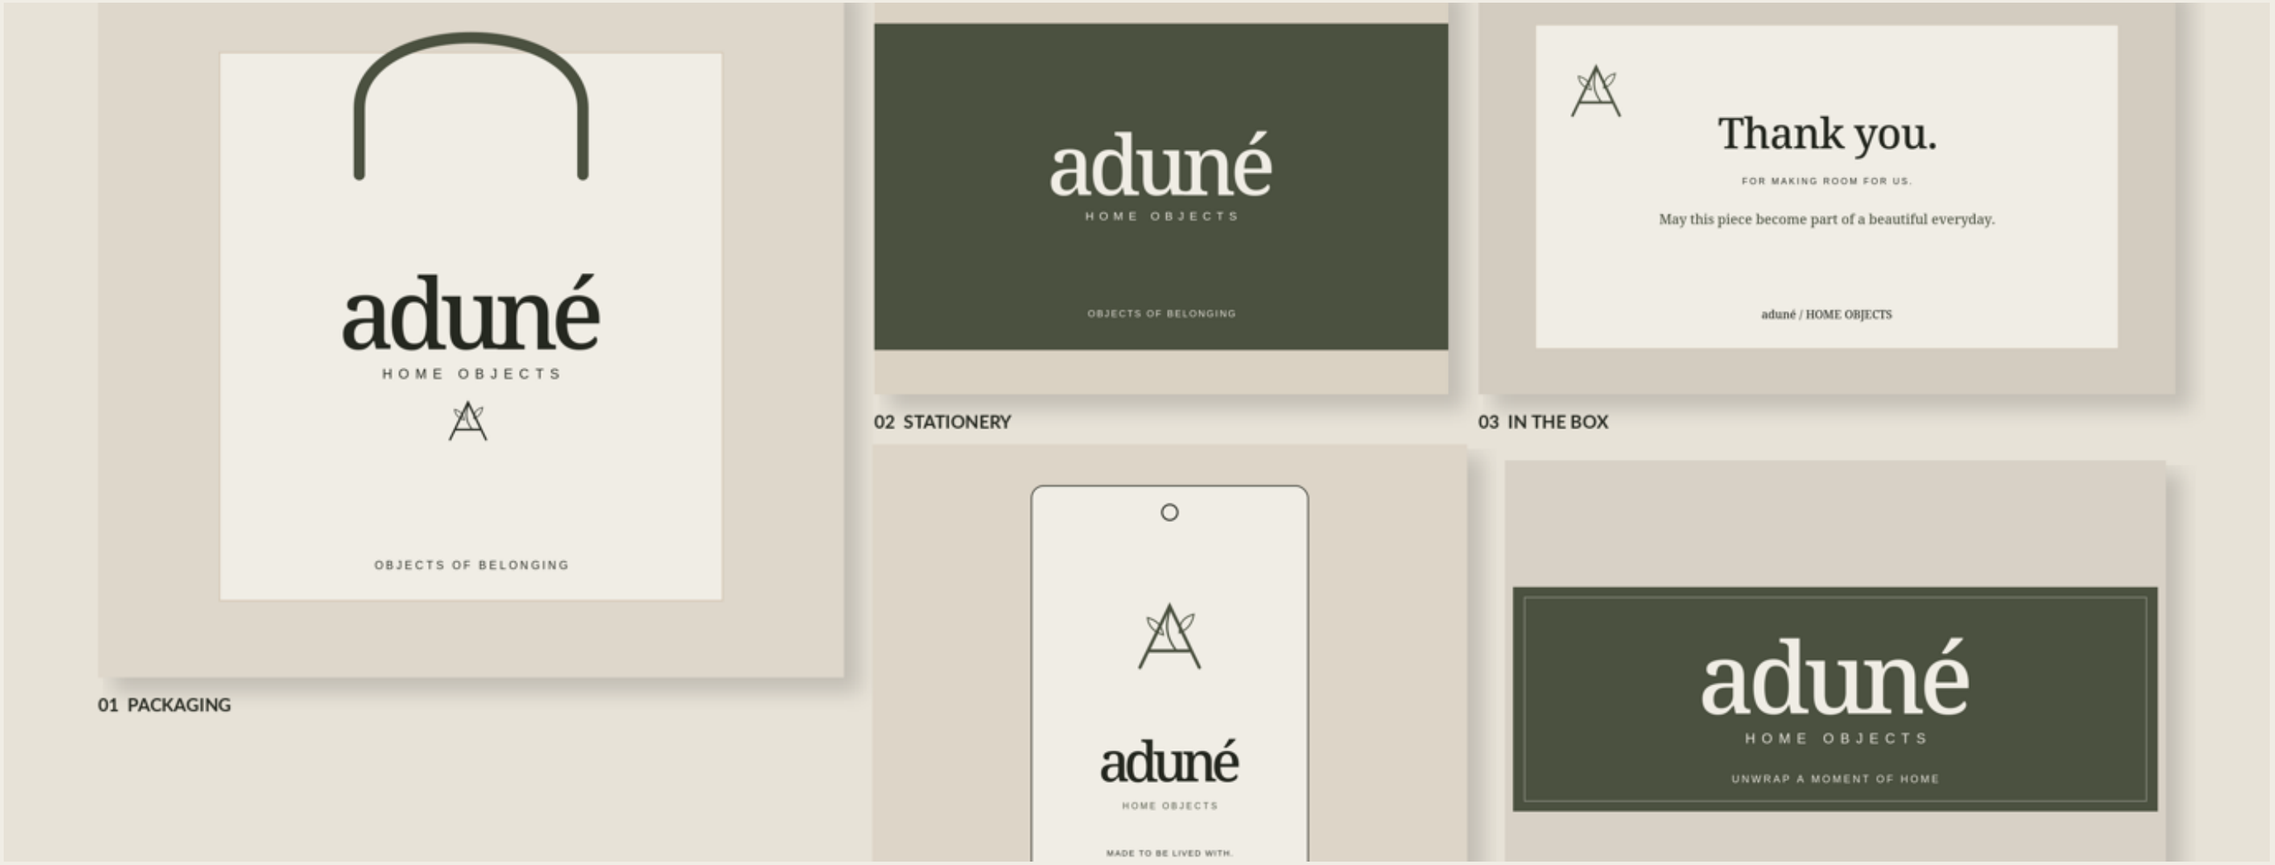

01 / Pair a sculptural hero with a normal domestic object for scale.

02 / Show hands only when actual craft activity can be documented.

03 / Warm side-light, honest material texture, restrained props.

UNBOXING IS THE FIRST PHYSICAL BRAND MOMENT

A MODERN BRAND EXPERIENCE

Movement that feels natural.

01	ATMOSPHERE	An expanding hero image gives a subtle sense of depth.
02	NARRATIVE	Large editorial sections frame one clear message each.
03	DISCOVERY	Staggered product composition and room-led collection filters.
04	INTERACTION	Navigation overlay, product views and saved-pieces drawer.
05	ACCESSIBILITY	Responsive layouts and reduced-motion support.

FROM CONCEPT TO AN ACTUAL BUSINESS SITE

What comes next.

01 VERIFY	Confirm actual product imagery, dimensions, materials, artisan origin and photo rights.
02 INTEGRATE	Connect live catalog and currency/checkout; never treat concept wishlist as a shopping cart.
03 PRODUCE	Approve printer dielines, paper stock, embellishments and physical proofs.
04 TEST	Mobile UX, performance, accessibility, delivery info, returns and transactional consistency.
05 APPROVE	Obtain brand permissions and run trademark/identity similarity clearance.
